EDUCATION

Raj Kumar Goel Institute of Technology, Ghaziabad	2023-2027
B.Tech in Computer Science and Engineering	CGPA : 8.4(Curr)
Holy Cross Higher Secondary School, Dimapur, Nagaland	2022-2023
Class 12 (NBSE)	Percentage: 87%
King's Way School, Dimapur, Nagaland	2020-2021
Class 10 (NBSE)	Percentage:92.5%

ABOUT ME

Full-Stack Developer skilled in React, Express, and PostgreSQL, with hands-on experience building realtime messaging apps and modern web solutions. Passionate about solving problems and creating impactful projects.

PROJECTS

Skillup-Bridge: Live Demo

Developed a real-time messaging application with: User profiles **,** Interest-based filtering **,**Real-time communication via Socket.IO **.Tech Stack:** React (frontend), Express.js (backend) + MongoDB Socket.IO **:**   *GitHub Link*

Tenant-Task Manager: Live Demo

Built a tenant-based task management system where members and admin can view and perform CRUD operations on shared tasks.**: Tech Stack:** React (frontend), Express.js (backend), MongoDB (database)

Paytm-like Wallet Demo App: *GitHub Link*

Designed a simplified wallet system supporting dummy money transfers between contacts.

Tech Stack: React (frontend), Express.js + PostgreSQL (backend)

MidNightSip – Coffee Landing Page : *Live Demo*

Created a visually appealing, coffee-themed landing page with smooth animations. **Tech Stack:** React, Tailwind CSS, Framer Motion

TECHNICAL SKILLS

Frontend: React.js **,** Next.js **,**Recoil,Tailwind CSS **,**Framer Motion

Backend : Node.js **,** Express.js **,** REST API, JWT Authentication

Databases: MongoDB **,**PostgreSQL ,Redis

Real-Time Communication : Socket.IO

Version Control: Git, GitHub

Deployment : Vercel, Netlify **,** AWS (EC2, S3)

Programming & DSA : C++, Practicing: Stack , Linklist, Recursion   **API**

Tools : Postman (API testing)

ACHIEVEMENTS

- Ranked in the **Top 1%** in NBSE Class 12 with **87%**.
- Started practicing DSA in C++ and actively solving beginner to intermediate problems.
- Continuously building and shipping full-stack projects to improve development expertise.
